

On the Train

ai

ay

Today we are going on
holiday. We are waiting
for the train.

**We are going to London
on the train. London is
a long way away.**

We are going to **stay** in
a posh hotel.

We will be **staying**
there for three **days**.

My mum **says** it is
raining in London.

I hope the **rain** goes
away!

Activity:

There are lots of interesting places to visit in London. Can you name some of them?
