

A Frightened Knight

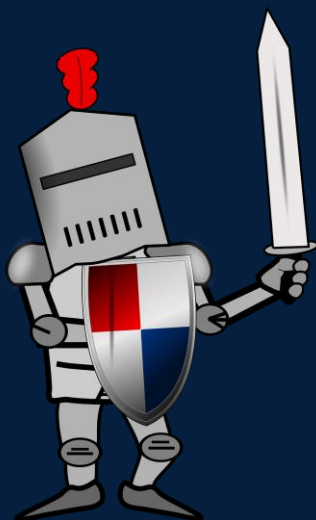

igh

ie

Last **night** Sir Arnold
got a **fright**!

What is that **bright**
light?

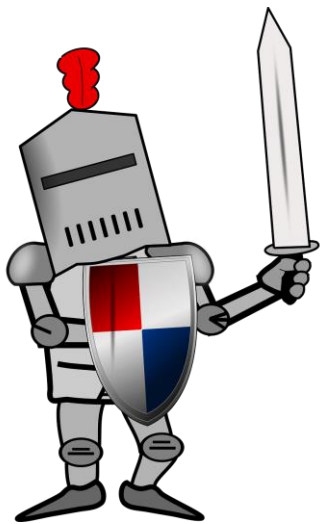

Is it **light**ning?

Or something that **flies**?

What can I see **high** in
the sky?

Sir Arnold was
frightened. He thought
he might die!

Go away!

Sir Arnold cried.

But it did not go. It
came closer and
closer...

Activity:

What do you think Sir Arnold can see in the sky?
