Friday 4<sup>th</sup> December 2020

Dear Parents/Carers,

## Face Masks on School premises

We are all aware of the need for extra care over the next few weeks to do all we can to keep everyone in our school community safe in the lead up to Christmas. Please can I remind all parents and carers that face masks must be worn on the school site at all times, unless there is a specific medical reason not to do so.

## Roadworks change of location

We have been contacted by the company doing the roadworks outside of school. They have asked us to let you know that from Monday 7<sup>th</sup> December until the end of the school term on 18<sup>th</sup> December the roadworks will be moving and will be located along St Oswald's Drive. This will mean that you will be unable to park on St Oswald's Drive during this time so please make alternative arrangements, if this would be your usual parking area.

Please do not park on the yellow lines or chevrons which are outside of the school gates. This is the crossing area for children and for the safety of everyone the crossing must be kept clear.

## Reminder about Christmas cards

Please don't forget that the window for bringing Christmas cards to school is next week ONLY. We will then be able to quarantine them and they will be given out in the last week of term. We will not be able to accept cards etc. that are brought in after 11<sup>th</sup> December. Cards should only be sent to children within the same class bubble this year please.

If any child is planning on bringing in a small gift for their teacher, the window for these is also next week, so that they too can be quarantined. Please do not feel there is any pressure to send in either cards or gifts. We understand that there are lots of demands on everyone's time and resources, particularly at the moment and don't want anyone to feel that these are expected. We are just trying to offer an option for those who choose to do this.

## Recordings Consents

Thank you to everyone who has returned their consent for the class recordings. Please be mindful that these are being recorded in limited bubble space, and with limited preparation time, as we are continuing to prioritise children's learning, so the recordings will be short and not the usual 'full length' performances of previous years. We hope that you will understand and enjoy our Christmas offerings when they are sent in the last week of term.

## Pantomime Party

Thank you to those who have accessed Parent Pay and contributed £1 towards the party provision this year. Each child will have their own snack selection, including individual bottled drink, crisps, biscuits and sweets to enjoy while they watch the pantomime. All of these items will have been in school well before the parties to allow for quarantine time and will be individually wrapped.

Thank you for your continued support.

Mrs Navas
