Two **girls** went for a
walk in the woods.
They were looking for
birds and **flowers**.

They saw a small stream. “Shall we jump over it?” asked Fern.

“Be careful!” said **Kirsty**

“I don’t want you to get

hurt”.

Fern jumped **first**. She

got **dirt** on **her** new

skirt.

Then **K**irsty jumped and
fell into the **w**ater!

Fern shouted, “are you
injured? Do you need a
nurse?”

“No” said Kirsty “I am not hurt”.

Fern helped her get up,
she was covered in dirt!

The **girls** started
laughing, then laughed
even **louder!**

It's time to go home
and jump in the
shower!
