

The Blue Balloon

Today I saw **Sue** with
her **new** **blue** hot air
balloon.

“I’m going for a fly”
said **Sue**. “Do you want
to come **too**?”

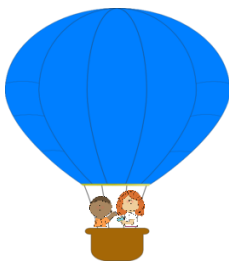

“Yes please!” I said,
“are you sure there is
room?”

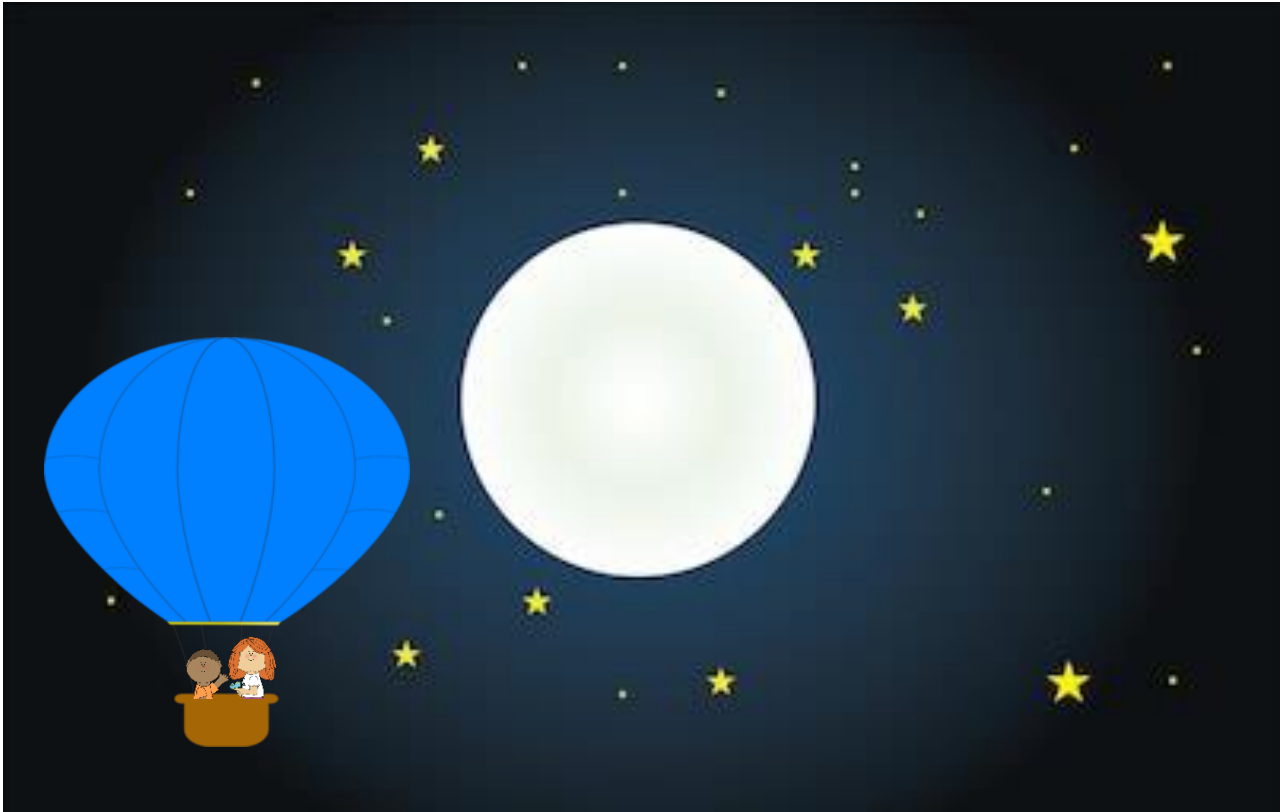

“Yes” said **Sue**. So I
climbed into the **blue**
balloon.

The wind **blew** and up
into the air we **flew**.

Above the **roofs**, the
pool and **school**. Faster
and faster we **zoomed**
up into the sky.

Before I **knew** it, we
had reached the **moon**!

“Oh no” said **Sue**. “We
flew too far!”

Who will be
able to rescue us
this far from the
Earth?
