What is the vision for education at Canon Popham?

Our vision is to work together as a Christian community to nurture our children within a happy, stimulating and caring school.

A place where:

- Christian values are at our heart: endurance, compassion, thankfulness, forgiveness, justice and hope
- Everyone is unique and welcome
- We respect and care for everyone and everything around us
- High standards are expected and achievements celebrated so that everyone is able to reach their full potential
- Self-esteem and confidence are nurtured on a journey of self- discovery

EVERYONE MATTERS!

'Working together we learn and grow.'

What is the Christian basis for our school vision?

At Canon Popham our vision statement reminds us that we nurture the tiny seeds which grow into the mighty tree as Jesus describes the Kingdom of Heaven. We work to nurture all our children as individuals and valued members of the community,

so that they can flourish and contribute to society in a positive way. (Parable of the Mustard Seed- Matthew 13 v 30-32)

Our school has six Christian values which we work hard to support the children to understand and apply in their own lives. These are:

endurance, compassion, thankfulness, forgiveness, justice and hope.

How does this translate into our curriculum intent?

At Canon Popham C of E Primary Academy our curriculum is driven by learning across 4 key themes:

- Learning about myself
- Learning to be my best
- Learning how to learn
- Learning for my future

With children at the centre of what we do, our curriculum intent is focused on developing the individual, and providing them with learning opportunities, knowledge and skills that ensure that they are well prepared academically, socially, personally, culturally and spiritually to take advantage of the best that life can offer as they develop into good citizens. Our curriculum is broad and balanced and accessible to all. We encourage curiosity and enquiry, enable children to develop their learning with increasing independence and self-confidence and to make a difference in the world.

We hope that as our children go on from Canon Popham they will be well prepared for the next part of their learning journey and to take their place in their community as well balanced citizens with positive values for life.
