Covid Procedures Update

Dear Parents and Carers,

We currently have some positive Covid cases, with the vast majority centred in our Foundation Stage unit.

I have been in close contact with the Public Health Team over the weekend and again today. I have been assured that the measures put in place to manage the situation have their full support and are correct.

As Christmas approaches we have to follow the Doncaster Public Health advice and I am writing to you to confirm the Covid Procedures for the whole school that you should follow until the end of term.

- If **anyone** in your household has a confirmed case of COVID, we ask that you keep your child at home and book a PCR test. If the result is negative they can then return to school. However, we would ask you to then do regular LFT tests to ensure that your child remains negative. We hope that you will appreciate that this will help us to reduce the risk of transmission to other classmates and staff. If your child is required to be at home until they have obtained a negative PCR teachers will send work home to be completed.
- If your child has **any** COVID symptoms they must not attend school and must obtain a PCR test. Once again, teachers will send work for children to complete at home if they are well enough to do so.
- We ask that even if your child is well and nobody in your household has Covid, you consider regularly testing your child (twice per week) using LFT tests to ensure that we can pick up any asymptomatic cases and prevent them from attending school.
- If you are not sure about the procedures please ring school. We are here to help and advise.

Thank you for your support
Mrs Navas
