Diary Dates March 2022 – July 2022

Please see below for important dates and events planned for the year ahead.

We have tried hard to spread the activity sessions and those events where parents can attend to view their child's work, across the whole of the school year. Due to curriculum and teaching timescales some of these may be close together for certain year groups. Please don't feel obligated to attend every one, we appreciate it can be difficult to juggle work and other commitments.

Please note dates are subject to change but we will aim to give as much notice as possible. Further information and dates will be sent out in due course. If you have any further questions, please contact the school office. Thank you.
